

20916 ISLAND SOUND CIRCLE #305

Remember when you were young and wanted a tree house? Well, you can have one now! This is exactly how I feel when I am in this condo. Just seeing the birds and wildlife is very appealing! Being sold turnkey, this condo is just lovely! New graphite grey appliances were added in December 2016. Tastefully decorated with all of the needed items included ... oversized tile flooring on the diagonal and plantation shutters on the front bedroom windows. A/C and hot water tank were upgraded in 2009. Come and soar with the eagles!
