**U.S.G.A. RULES GOVERN PLAY**

1. Out of Bounds is defined by White stakes, inside edge of roadways and fencing on #3 & #7 Lakes.
2. All Penalty Areas are defined by red lines or stakes.
3. Environmentally Sensitive Areas are considered Penalty Areas and are defined by red stakes with green tops. It is mandatory that all players refrain from entering these areas to play or retrieve golf balls.
4. If a ball lies within two club-lengths of a sprinkler head which is two club-lengths from the edge of the putting green and intervenes on the line of play between the ball and the hole, the player may take relief as follows:  
The ball must be lifted and dropped at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a Penalty Area or on a putting green.
5. Drop areas are located on all Par "3" Holes, #3 Lakes, #4 Sound and #4, #8 & #9 River.
6. All yardages are measured to the center of the greens.
7. Measuring devices are allowed for all competitive golf events.
8. All concrete cart paths are considered immovable obstructions. If your stance or swing interferes with the cart path, you may take a drop at knee height (1 club length, no closer to the hole) from the nearest point of relief that avoids the interference.
9. In closely mown areas (fairway), if your ball lies within one club length of a metal drain cover, your ball is considered in "ground under repair." You may take a drop (1 club length, no closer to the hole) at the nearest point to where the ball lies that avoids the obstruction.

Flags are color coded for position on the green:  
**Red & White** – Front  
**Yellow & White** – Middle  
**Blue & White** – Back
