

Pelican Sound Opens New Main Clubhouse and Pro Shop

Estero - November 2019: Pelican Sound Golf and River Club officially opened its new Clubhouse and Pro Shop November 4th at a ceremony attended by members, staff and Estero officials.

The clubhouse complex is the final piece of a multi-year, 14-million-dollar Amenity Enhancement program at Pelican Sound. It includes a re-building of the main clubhouse, with additional dining options, a new golf pro shop, new administration offices, improvements to the golf cart staging area and Pelican Park, a new multi-use outdoor venue. Earlier this year the club opened a new, a best in class Racquet Center with 8 hydro-grid tennis courts and 8 pickleball courts, a pro shop, indoor meeting space and covered outdoor gathering areas.

“As we strive to be the best bundled community in SW Florida, we know we must adapt to the evolving needs and activities of our members” said PS Board President Neil Severance. “The excitement of our members at the Grand Opening on November 4th shows we are on the right track.”

The new 27,000-foot clubhouse features the Vista dining room with an entire wall of folding glass doors and high ceilings overlooking the preserve and Lakes course. The new Pelican Pub is an ideal place to gather after a round of golf or racquet sports with indoor and outdoor dining options under the exterior patio. The Pavilion is a casual restaurant pairing fresh air and fresh food. With an open kitchen featuring stone fire pizzas from the beautiful new 8-foot gas oven, it’s a perfect place for lunch, an afternoon snack, a glass of wine or beer, or an early dinner. And the new outdoor Terrace is a popular gathering place with lounge areas and firepits to provide warmth, comfort, and memorable moments.

General Manager Eric Long noted that member involvement was critical. “We spent a lot of time presenting to the community, getting feedback, refining the details. We needed to get the right plan and we received overwhelming member support.” Geography helped as well, Long noted. “We are fortunate to have the room to grow and accommodate new activities. We acquired adjoining parcels which gave us tremendous flexibility in developing our resort style amenities.”

The club project was designed by RG Architects,

engineered by RWA Civil Engineering, constructed by Envirostruct, and Welch Tennis built the courts.

Pelican Sound Golf and River Club is a 1,299-door bundled community located in Estero, West of 41, between Williams Road and Corkscrew Road. Complementing the new Main Clubhouse is a second clubhouse, The River Club, which offers casual dining and entertainment. Pel-

ican Sound has 27 holes of championship golf along with its 8 tennis and 8 pickleball courts, 5 bocce courts and a two-story fitness and learning center. With direct access to the Estero River and the Gulf of Mexico, members enjoy complimentary shuttles to Lover’s Key State Park five days a week. Boaters can launch at the club dock and store their vessels on-site.

Welcome Home to Naples Estates: A Premier Home Community for Active Adults

OPEN HOUSE
Saturday, December 7 from 11-4

AMENITIES:

Boasting a bevy of upscale amenities, Naples Estates, a 55+ community, is a beehive of activity these days as the community is being reimaged as the area’s premier place to live and play for active adults. Indeed, our gorgeous new clubhouse will feature a grand ballroom with concert staging, a dance floor, catering kitchen, billiards room, card room, arts/crafts classroom (with a kiln) and a well-equipped fitness center — now that’s something to write home about!

Our activity center will be just as snazzy thanks to a new resort-style pool and therapy spa plus an adjacent party pavilion, bandstand and dance floor. And don’t forget about the mini-golf course, shuffleboard courts, bocce ball courts, two pet parks with agility equipment, six pickleball courts and two tournament courts with spectator seating. These amenities offer the opportunity to stay as active as you want to be, all while making lifelong friendships.

HOMES: Perfect for ‘most every lifestyle,

a number of floor plans are available, each of which is flattered by raised ceilings, walk-in closets and a good-neighbor front porch just-right for coffee and conversation.

To maximize energy-efficiency, homes include Thermopane windows, dense insulation and appliances designed to help lower utility usage and save money. Financing options are available for qualified buyers.

NEARBY NICETIES: Nearby shopping venues include Publix Supermarket, Prime Outlets at Naples and Village Plaza Shopping Center, while nearby hospitals include the VA Naples Clinic and NCH Baker Hospital. A short drive will take you to beautiful golf courses, pristine local beaches and plenty of deep sea fishing options.

CALL 866-924-8695! Stop by or call today for a private tour of our lovely homes and growing community. We’re busy creating the lifestyle you’ve earned and deserve!
