

## **Pinehurst Neighborhood Tree Recommendations**

**The following list of trees and palms was developed with the following criteria:**

**\* small size category (10-20 ft.in height but size can be controlled with trimming)**

**\* smaller root system**

**\* native and non-native species**

**\* non-deciduous**

**\* flowering and non-flowering varieties**

**Palm criteria was not to produce coconuts and not to have heavy seed pods. All need to be southwest "Florida Friendly."**

- **Japanese Blueberry**
- **Dahoon Holly**
- **Powderpuff**
- **Little Gem Magnolia**
- **Jatropha Tree**
- **Hibiscus Tree**
- **Yellow Elder**
- **Dwarf Poinciana**
- **Foxtail Palm**
- **Christmas Palm**

**This is a suggested list of species for small property areas. We encourage the homeowner to do their own research to make the decision that is best for their property. ARC requirements for the size of the tree or palm needs to be complied with.**
